

*Your partner  
for regranulation*

**Address:** Knez Mihailova 86,  
14000 VALJEVO, S E R B I A  
**Tel./Fax.:** +381 (0)14 293 300

**E:** [info@repol.rs](mailto:info@repol.rs)

**W:** [www.repol.rs](http://www.repol.rs)

**FOUNDATION YEAR:** 2013

**OWNERSHIP:** 100% private

**PRODUCTS:**

REGRANULATES: PP-H, PP-C, LDPE, LLDPE, HDPE, PS, GPPS...

**SERVICES:**

REGRANULATION

TECHNICAL CONSULTING

LOGISTICS AND WAREHOUSING

AFTER-SALES-SERVICE

**TECHNOLOGIES:**

Regranulation, Schredding, Grinding...

**MACHINE CAPACITIES:**

- 2 regranulation lines for polyolefins 4.350 t/year

**REGRANULATE APPLICATION:**

Compounding

Extrusion

Injection moulding

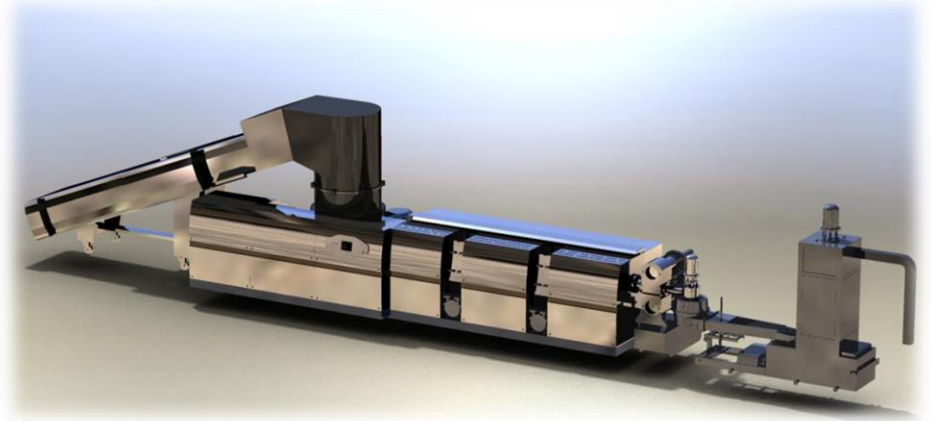

Blow moulding

**Business concept:**

Care and treatment of clean polymeric and industrial waste.

Waste - defined as packaging waste, the one generated during pallet unpacking and in processing industries.

## Turnover in 1.000.000 €

**2014:** 0,60 mil. €, **2015 plan:** 1,05 mil. €,  
**2016 projected:** 1,50 mil. €

## Investments in 1.000 €

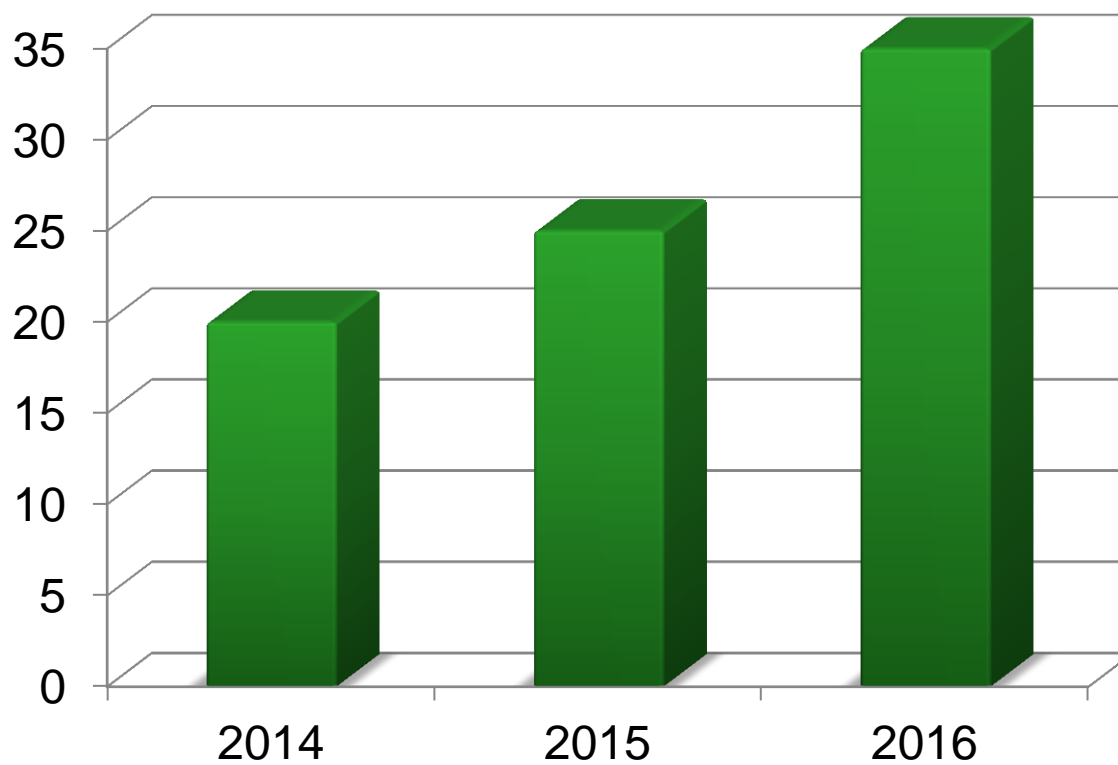

**2014: 50,00 2015 plan: 500,00**

**2016 projected: 400,00**

## No. of employees

**2014: 20**

**2015 plan: 25**

**2016 projected: 35**

## Focus:

We are dedicated to our customer needs and the ways to find the optimal request fulfilment.

The final solution is reflection of our life-time experience and education .

## Growth and Development:

We want to be the part of that process which is actual in the Europe;  
material re-use,  
efficient recycling with minimal resource use,  
high-end processing technology which will create added value,  
neglecting negative environment influence ...

...those are our core commitments.
